BISLEY

Helping you work better anywhere

BEAUTIFULLY CRAFTED AND HIGHLY CUSTOMISABLE – BE CREATES PERFECT COMBINATIONS FOR A CONNECTED WORKSPACE.

Be is a creative, integrated furniture and storage solution that creates environments to inspire performance.

Perfectly suited for subtle space and territory division, it supports multiple possibilities in the workplace.

Inspired by the need for versatile and more agile working, Be offers perfect combinations to support a variety of working styles. You can provide areas to meet, individual space to focus, with social areas to interact, relax and recharge.

DETAIL

Combine unique colour combinations and the flexibility to mix laminate and steel. Choose to encase your whole configuration in a laminate surround or simply add a decorative laminate top to create a softer touch.

Select from an assortment of features and accessories such as pinnable back panels or

writeable glass panels to support multiple possibilities in the workplace.

The addition of integrated power, designed to suite perfectly with the Bisley branded flush handle – means that Be can support technology.

- The choice to combine both steel and laminate finishes
- Integrated pin-plug and USB power as standard
- Stylish laminate decorative panels available
- Made in the UK
- Minimum 10-year guarantee

PRODUCT BENEFITS

- **Contra-facing** – Be enables you to create different zones, each with distinct settings to support multiple ways of working
- **Highly customisable** – Build completely unique configurations to support the individual needs of your workplace. Stack different elements together and choose from an assortment of additional features such as magnetic seating, writable glass or pinnable panels and power to support the way you work
- **Specify** – With such a wide range of configurations available, Be's adaptable approach helps you define what fits your organisation and maximises every square metre through the provision of storage, security, and power
- **Colourful** – Choose from an extensive palette of 33 steel paint colours or 7 laminate finishes, enabling endless colour combinations and making customisation of your workspace simple
- **Secure** – Be offers practical storage and stowage solutions, giving all employees a sense of control, peace of mind and belonging while at work
- **Display** – With a range of shelving and display options including Frame Toppers, Be offers a stylish solution to display dressings and provide a multi-purpose functionality
- **Accessories** – A range of accessories available such as magnetic seating and Frame Toppers – supporting the needs of employee wellbeing, the modern workplace and each distinct setting you create with Be
- **Power** – Be is fully cable managed. Power outlets can be positioned to suit your needs, giving you the convenience of charging devices with pin-plug and USB sockets
