CONGA

Description:

Play around
A pouf with a tray is essential in any home. Inspired by African conga drums, this versatile CONGA pouf lets you decide how to use it. With the wooden tray, it can be an extra coffee table in the living room today. And without the tray, it can work as an extra seat for your guests tomorrow. CONGA comes in different sizes and heights to match your interior design.

Year of design: 2019

Design: Sascha Sartory

After his studies in product- and industrial design at the University of Applied Science Aachen and University in Wuppertal, Sascha Sartory worked for various design agencies and learned how to combine the latest technologies, trends and materials to create new and innovative design products. Today he is working as an independent designer as well as being co-founder and part of the FORMFUSION Produktdesign team.
